

Spring 2021

Dear Parent,

I would like to welcome your child to the Lafayette School Corporation! The staff of this school district is committed to helping every child discover and explore the talents they possess. Working together we are committed to nurturing the promise of your child. Our mission is to inspire and empower all children to learn, hope, dream, appreciate, create, innovate, integrate, excel, and contribute. We firmly believe your child could not receive a better educational opportunity anywhere. It will be fun and interesting to see the direction your child's interests will take them.

As a partner in your child's education, I am asking for your help. There is absolutely no substitute to reading to your child each day! If you are not already reading to your child at least 20 minutes every day, please begin doing so immediately. There is no better gift you can give your child. It will pay a lifetime of dividends.

Please become involved in your child's education. Volunteer in your child's classroom and school. You are encouraged to call on the school staff for help in addressing the needs of your child.

Enjoy each day with your child for they grow up far too quickly. On behalf of the Lafayette School Corporation community, let me say that we are looking forward to working with you and your child, and cannot wait for the first day of school.

Sincerely,

*Alicia Clevenger*

Dr. Alicia Clevenger

Assistant Superintendent for Elementary Curriculum and Instruction
